REPLY TO  
ATTN OF: INS

20 DEC 1984

SUBJECT: Revision of DCID 1/20 (Your Memorandum, SECOM-D-289, 4 Dec 84)

TO: Chairman, DCI Security Committee

1. The Air Force concurs with the proposed revision of DCID 1/20, as presented in attachment 1 to referenced memorandum.
2. The Air Staff office of primary responsibility for classification management suggests another review of the need to classify the directive. We endorse the suggestion and recommend a "For Official Use Only (FOUO)" designation. In our opinion, FOUO would improve directive utility and, consequently, promote increased compliance with its requirements.
